>> smart Prepaid Maintenance.

Drive with confidence knowing that your scheduled maintenance is taken care of right from the start, as is your budget.

Choose a maintenance plan that's right for you, with options designed for low- or high-mileage driving, whether you buy or lease.*

Plus, pre-paying at your authorized smart Centre offers significant savings compared to a pay-as-you-go approach.

Plans are available for smart fortwo and smart fortwo electric drive vehicles at time of purchase or at any time before the first scheduled maintenance.**

Features of smart Prepaid Maintenance include:

- > Plans as low as \$12 per month.
- > Savings of up to 25% compared to pay-as-you-go.
- > Savings of an additional 20% on lease plans.***
- > Lump sum or monthly payment options.†
- > Fully-transferable from person to person.‡
- > Customers pay in today's dollars, insulating themselves against future increases in the cost of maintenance.

Prices do not include interest or taxes.

* 2013 or newer models.

** Odometer reading must be under 18,000 KM for the gasoline model and under 25,000 KM for the electric drive model.

*** When smart Prepaid Maintenance is purchased as part of the lease contract, with matching terms; applies only to vehicles that are returned at end of lease term. Prices may vary based on residual value at time of purchase.

† Monthly payment options only available at the time of vehicle purchase.

‡ Certain terms and conditions apply. See Transfer Policy for details.
